4th ANNUAL MUSEUM CAR SHOW.. Hot.. Hot.. Hot!

Ocean County College was the venue for our 2010 car show. The weather was Hot. The cars were hot and the drivers were hot & happy as friendly relationships and good planning made for an enjoyable day. 112 antique cars were on display and hundreds of spectators gathered to witness the event. Museum Vice President, Ralph Voorhees, constructed a “hospitality tent” with tables and chairs inside and a 48” fan to cool our guests. It was so nice! Russ Patterson added another novelty by introducing “Kids Choice” to the show. He used a kit provided by Summit Racing to place badges on our young guests to make them a Judge. They carried a scorecard and walked through the auto display (with their parents) to pick their favorite car. And the winner was: E T V. Wait until you see this.

Extra Terrestrial Vehicle (ETV) owned by Museum member **Bill Boggiano**, Toms River, NJ.

Vincent Zaccherio wears his badge with pride as he picks his favorite car on display.

Can you identify the cars, the man in the chair and the lady in pink?
